About Us

BRONX BOUND BOOKS

Community Bookstore and Bookmobile

Our Mission

Our mission is to make book ownership accessible to everyone in the Bronx and beyond, fostering a love of reading across all ages and communities. We believe that every book has the power to open minds, create possibilities, and build bridges between diverse stories and experiences.

Our Journey

Bronx Bound Books started with a dream and a book bus. We raised funds to renovate our bookmobile, and further access to book ownership across the Bronx. From story time sessions to book discussions, author visits, and more, we are committed to making an impact across our communities.

Our Vision

We are on an exciting path towards establishing a brick-and-mortar bookstore right here in the Bronx. When Barnes and Noble left the Mall at Bay Plaza in the Bronx, our community remained without a bookstore.

We believe that access to book ownership as well as a community space to gather is crucial to our further development. Our brick-and-mortar bookstore will be a space for community gatherings, author events, and an even wider selection of books that reflect the diverse voices of our community.

Our Services

BRONX BOUND BOOKS

Community Bookstore and Bookmobile

Our Book Bus Experience

Bringing the joy of reading directly to our community, our bookmobile is a roving bookstore visiting schools, community centers, and local events - providing access to a diverse range of books for all ages.

Book Drives and Book Swaps

To make our mission of making book ownership accessible to everyone, we host book drives and book swaps - a sustainable way to share the love of reading. Book donations help us distribute books to other members of our community. Every donated book helps us extend our reach.

School Fairs

Say goodbye to one-size-fits-all book fairs. We offer customized book fairs that align with each school's curriculum and students' interests. Our selection includes diverse narratives, ensuring every student finds a book that resonates with them, and has the opportunity to explore new genres and authors.

Author Events and Signings

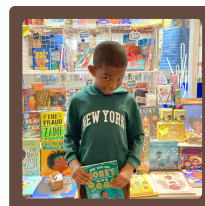

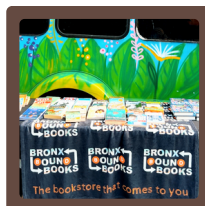

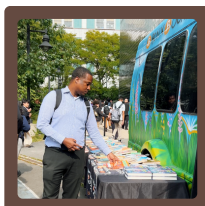

We connect readers with authors. Our author events are gatherings where our community can meet their favorite writers, discover new ones, and receive signed books. These events are perfect for readers of all ages.

Corporate Collaborations

We offer tailor-made literary experiences for schools, community organizations, and corporate partners. From book fairs to bringing the bookmobile to your office for a unique team-building event, we cater to a diverse range of needs and settings.

Special Events

Looking to add a literary touch to your unique event? We offer customizable experiences via our bookmobile - perfect for community gatherings, festivals, conferences, and special events. We bring a curated selection of books, adding a literary experience to any event.
